With reference to the above cited subject, as per the directive of Department of Electronics & Information Technology (DeitY) – Government of India, New Delhi, any new application or an existing application after development/ maintenance/ enhancement, have to undergo application security audit and certification by a CERT-In empanelled security auditor, before hosting in the State Data Centre (SDC).

In order to speed up the above application security audit and certification process, the Puducherry eGovernance Society (PeGS) had identified and contracted a CERT-In empanelled software security auditing consultant, namely M/s. Ernst & Young LLP (EY). The consultant, EY, had already completed/ working on the security audit / certification for the following Departments –

1. Elections
2. Commercial Taxes
3. Employment Exchange
4. Factories and Boilers
5. Industries & Commerce

The departmental applications are audited on chargeable basis by the PeGS. Therefore needy departments may approach PeGS, with an official letter, for the security audit of their applications before hosting the same on SDC, on first come first serve basis.

P.T. Rudra Goud
Director (IT) cum Convener PeGS
