No.1427/DIT/D1/2008/

Puducherry, dated 30.01.2008.

CIRCULAR

Sub: DIT - Provision of Broadband Connectivity (BSNL - Data One) to all the Head of Departments in Puducherry, the Administrators in the outlying regions and all the Schools in this Administration - Block approval - Communicated - Reg.

-oOo-

Approval is hereby accorded to provide broadband connectivity (BSNL - Data One), until PSWAN is set up, to Office of the Head of Departments at Puducherry and the Administrators in the outlying regions, who have not been provided with either leased line connectivity or broadband connectivity, in order to ensure creation of Department websites, wherever required and to manage its' content and to all Schools/Colleges in this Administration to impart wide knowledge and e-Learning courses to the student community as detailed below:

I. To all the Head of Departments, Puducherry and the Administrators in the outlying regions:

- a. Modem - Type I at a cost of Rs.1,200/- (with 1 Ethernet Port and 1 USB Port); and
- b. Plan - Monthly charges as Rs.700/- (with 256 kbps to 2 mbps speed and 4.0 GB free data transfer limit) (as per the revised tariff w.e.f. 1.4.2007)

II. To all Schools/Colleges in this Administration:

- a. Modem - Type I at a cost of Rs.1,200/- (with 1 Ethernet Port and 1 USB Port); and
- b. Plan - select any one of the Plan with monthly charges as Rs.250/- (with 256 kbps to 2 mbps speed and 1.0 GB free data transfer limit) or Rs.700/- (with 256 kbps to 2 mbps speed and 4.0 GB free data transfer limit), as per the requirement of data transfer limit of that school, (as per the revised tariff w.e.f. 1.4.2007)

(P.T.O.)

2. The following are instructed for security purpose and wide usage of the connectivity:

a. proper anti-virus software may be installed and definition files may be updated periodically;

b. Multi-users can utilize the connectivity, using the Ethernet port of the selected modem and a switch.

3. The following are advised to reduce the operative cost in Broadband connectivity:

a. pop-ups may be filtered - to optimize the size of download.

b. operating system/software, viz., Windows, Anti-virus software, etc. will do live update. Hence, disable live update and do it manually, in a periodic interval.

d. switch off, whenever not in use.

4. This issues with the concurrence of the Finance Department, Puducherry, vide U.O.No.056/2007/08/F5, dated 24.01.2008.

30/1/08
(L. KUMAR)
DIRECTOR

To

1. All Head of Departments, Puducherry.
2. The District Collector, Karaikal.
3. The Regional Administrator, Mahe/Yanam.
4. The Director of School Education/Higher & Technical Education, Puducherry
- with a request to circulate the same to all Schools/ Colleges in this Administration.
